

OH&S Policy

We pursue creation of safe and comfortable work environment and happiness by proactively establishing and fully implementing OH&S(i.e. Occupational Health and Safety) Management System.

1. Pursuing the safety and health of employees, visitors and communities as a top priority and comply with all the regulations and requirements related to the Safety and Health of our employees.
2. Active participation in Safety and Health Activities of all employees, contractors and spreading & internalizing Safety Culture through active communication.
3. Assessing and improving of hazards and risks that may occur in every process, such as production, R&D, logistics, etc.
4. Achieving of our OH&S objectives through clearly recognizing the roles & responsibilities, ensuring the competence and active participation in OH&S management.
5. Employees' understanding and compliance through setting up the procedures in every process(production, R&D, logistics, etc) and fleshing out the criteria in workplaces.
6. Properly implementing OH&S Management Policies of All employees and opening it to all stakeholders through our homepage, leaflet and diary.
